Dear all,

We have funding available for community groups from £1,000-15,000. We would be grateful if you could help us promote the fund, by publishing the story below in your community magazine and raising it at your parish meeting.

Thank you,
Debbie

£50k pot for community projects

Are you a community group looking for funding? South Norfolk Council has Community Action Fund grants available from £1,000-£15,000 to support projects and initiatives that benefit local people.

Last year the Council funded a range of projects including play equipment at Breckland Park in Costessey, an automatic watering system at Wortwell Bowls Club and a trailer for Norfolk Knights Wheelchair Rugby Team.

If you would like to apply for funding, please contact your local district councillor, who will apply to the Community Action Fund for you.

The next Community Action Fund panel will be held on Thursday 31 May.

For more information on the Fund and all the Council's community grants, please visit the Council's website www.south-norfolk.gov.uk/residents/communities/community-grants
